

ADVISER RESOURCES TO SIGN UP TO

Keeping up with the latest news and changing landscape in higher education and career education is often difficult. To help you out we have listed some useful newsletters you may want to sign up to.

UCAS adviser updates

Sign up for regular UCAS updates through their adviser email service which will send you information on a monthly basis tailored to your preferences.

Which? University

Sign up for regular emails containing helpful tips and advice for those wanting to progress to HE.

Central Careers Hub

Sign up to receive regular newsletters, resources and information on forthcoming events around career sector trends and updates to Career Advisers.

Amazing Apprenticeships

Sign up to their monthly newsletter to hear the latest information about apprenticeships including new resources.

Prospects Luminare

Sign up to receive regular updates and information on student and graduate labour market information.

Student Finance

Alongside the Student Finance England Practitioner website you can sign up to regular mail outs, for the latest student finance news and resources, through the Partner Services team at the Student Loans Company. If you would like to receive the mail outs please email Ben Rutter (Funding Information Partners Accounts Manager) on ben_rutter@slc.co.uk providing your full name, institution, job title and email.
