International Admissions Advisers

2016 Teachers and Advisers Conference

Friday 8th July
9am-4pm

St Mary's warmly invites you to join us for an interesting and useful day of panel debates, plenaries and workshops as we focus on "Navigating policy transformation in the HE sector, understanding the potential impact of the Green Paper on student experience and challenging the notion of consumerism".

This one day conference will explore what this means for your students, how best to respond to this changing landscape and seek to identify ways to improve Careers and UCAS programmes in your school or college. Experience for yourself first hand a deeper understanding of subject fields and update your knowledge of how degree programmes at St Mary's relate to the global labour market.

The conference is free to attend and is designed for anyone working in the education sector supporting progression to Higher Education.

Bookings are open now. To reserve your place please visit www.stmarys.ac.uk/education-liaison/teachers-advisers-conference.htm
For further information about the conference please email lucy@stmarys.ac.uk or call 020 8240 2314

We look forward to welcoming you to St Mary's
